Do you need reliable internet at your holiday home?

FROM ONLY £25 per month*

Then you need fast, reliable mobile broadband from Diamond Solutions UK.

For a one off purchase and then a 30 day rolling contract get unlimited data on your device. All you need to do is provide the postcode for your static caravan/home and we will check and advise which network gives you the best coverage.

* Monthly costs from £25 per month dependent on network and contract length. All prices plus VAT. Payment on monthly contract via direct debit. Equipment delivery costs extra.
